

# Stormwater Management

Reusable 10' spill berms seal off spills from nearby drains. Unique material "weeps" into cracks and crevices to prevent liquid flow.

## Control Runoff, Leaks and Spills

"Witches Hat" Ultra Drain Guard® catches sediment and other pollutants before they enter the drain. Over 80% sediment removal efficiency. Captures 0.87 gallons of hydrocarbons.

Pop Up Pools instantly expand to capture leaks from saddle tanks, pipes, hydraulic lines and many other industrial incidents! Choose from 400, 250, 150, 100, 66 and 20 gallon sizes.

Oil Absorbent Tarps catch drips before they can reach the ground! Polypropylene core traps oils but allows stormwater to evaporate.

Ultra-Dewatering Bag® contains sediment and oil pumped out during dewatering operations

Helps you comply with NPDES, 40 CFR 122.26
